### OR-64 Medium Light Case

MODEL:OR-64

The Orca OR-64 Medium Light Case is a lightweight, well padded & protected medium size rolling case. The OR-64 case is designed to store and protect various sizes of light kits including power supplies, cables, accessories and more. The OR-64 has internal dividers that can be configured in multiple ways to meet the users' needs. The top tray gives extra protection from the top & secures the equipment inside the bag when in transport. The OR-64 comes with rollerblade wheels and a heavy-duty trolley system. The OR-64 has two carrying handles and an external roomy pocket.

#### Main Features:
