

Solidcom SE Global Version

Seamless Team Talk

Solidcom SE is what small production teams need to take their communication experience to the next level. Engineered with a focus on affordability without compromising quality, the 2.4 GHz full-duplex communication system boasts a lightweight form factor, advanced Environmental Noise Cancellation, and water resistance, among other features, empowering team members to collaborate effectively in diverse settings, including commercial video production and waterside operations.

I Specifications

Product Name	Solidcom SE Single-Ear Headset
LOS Range	1,100ft (350m)
Operating Frequency	2.4 GHz
Modulation Mode	GFSK
Transmit Power	≤ 20dBm
Receiver Sensitivity	-92 dBm
Battery Capacity	770 mAh (2.926Wh)
Charging Time	< 3 hours
Frequency Response	150 Hz-7 kHz (±10dB)
SNR	>70dB @94dB SPL, 1kHz
Distortion	< 1% @94dB SPL, 150 Hz-7 kHz
Microphone Type	Electret
Maximum Input SPL	> 115dB SPL
Output SPL	98dB SPL (@94dB SPL, 1kHz)
Environmental Noise Reduction	> 20dB (from all directions)
Weight	≈ 185.2g (with battery)
Temperature	0 - 45°C (working) -10 - 60°C (storage)

Note: Due to differences in various countries and regions, there may be variations in the operating frequency and wireless transmit power of the product.
